

Objective

Transfer the entire group from one side of the toxic lake to the other

Equipment

Magic Boots (2 large bands or straps)

Constraints

- No body part can touch the ground, except for feet wearing the magic boots
- The boots cannot be thrown across the toxic lake but they can be carried
- You must ensure that every member of your group does not enter the water at any time, unless they are wearing the magic boots **IT IS HIGHLY TOXIC.**

Progression

- Each foot on each person can only wear a magic boot once for *one trip across*
- After that foot is used, it cannot be used for any more trips
